

## ***BUILDING TERMS Q***

### **QUAD**

**Moulding having a profile of a quarter of a circle.**

### **QUADRANGLE**

**Four-sided court partially or entirely surrounded by buildings.**

### **QUARREL**

**A small square or diamond shaped member, as a pane of glass, especially when set diagonally.**

### **QUARRY TILE**

**Machine made terra-cotta tile. (Glazed or unglazed.)**

### **QUARTER ROUND**

**See QUAD**

### **QUEENPOST**

**One of the two vertical tie posts in a Queen Post roof truss. As the member is in tension sometimes a steel or iron rod is used and is known as a Queen Rod.**

### **QUOIN**

**The dressed cornerstone in a random masonry wall.**
