**Built 1863. Located Windsor Road, Rouse Hill.**

**The Rouse Hill Anglican Church was licensed 11th July, 1863, but was not consecrated until 19th November, 1878 after a chancel, designed by Edmund Thomas Blackett, had been added. A neighbouring school was built around the same time but abandoned in 1888 and demolished in 1908 to make way for the construction of the church hall.**

**Prior to 2003 the building was home to the Kellyville parish. In 2003 a new church complex was completed in nearby Kellyville and the Rouse Hill site remained vacant for several years. A new church complex has recently been built on the site and the new parish of Rouse Hill now makes**
