**Built before 1900. Located 42 & 45 Bourke Street, Riverstone.**

**42 Bourke Street is a single storey weatherboard dwelling with pyramidal hipped galvanised iron roof and bull-nose verandah supported by turned timber posts and fretwork brackets.**

**45 Bourke Street is a weatherboard cottage with galvanised iron roof. The original bellcast corrugated galvanised iron verandah roof has been replaced with a bull-nose federation style roof with the dormer in the main roof structure being a later addition. Original building and wash house at rear.**

**Both are currently private dwellings.**
